

Vh1 Supersonic Arcade Featuring Pretty Lights back with a Bang:

After making inroads to the hearts' of Indian EDM (Electronic Dance Music) lovers and leaving a long lasting impression, Vh1 supersonic Arcade is returning to recapture your imagination once again. But this time it is not in scenic Goa, it is your much beloved city - Delhi and Pune . The dates are April 3, 2015 in Pune and April 5, 2015 in Delhi. Top notch artistes from different parts of the world will flex their muscles to entertain you with the extravaganza of dance, electronic music, synthesized music .

Derek Vincent Smith, popularly known as Pretty Lights is going to make his much awaited debut in Indian Supersonic Circuit. His performance is well characterized by hip-hop beats, buzzing synth-lines. This artistry earned him accolades across the globe and he received a Grammy nomination for Best Dance/ Electronica Album. His skill of mixing different genres with ease and creating a masterpiece from diversity has put him on a pedestal for which he is admired greatly by all. So you can expect the same kind of energetic live show from Pretty Lights and this experience will be etched in your memory .

Vh1 Supersonic Arcade are coupled with concerts and musical nights along with Vh1 Supersonic Club Nights, Vh1 Supersonic Campus 101. This event promises to be a cracking one in terms of great visual experience, integrated lights with big sets, creative themes to feel the energy of the performers.
